TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Argentina

Institution: **Favaloro Foundation University Hospital**
Program Director: Alejandro M. Bertolotti
Address: Belgrano 1748
Belgrano 1782 - 1st Floor
Buenos Aires, Capital Federal, C1093AAS, Brazil
Phone: +54 11 4378 1247
Email: trasplanteintratoracico@favaloro.org

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

Additional Information: This is a two-year training program for cardiologist, on Heart Failure, Pulmonary Hypertension, MCS and Heart Transplantation. More information at www.fundacionfavaloro.org

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Australia

Institution: **St. Vincent's Hospital**
Program Director: Prof Peter Macdonald
Address: Heart and Lung Transplant Unit
Victoria Street
Darlinghurst, NSW 2010, Australia
Phone: +61 2 8382 2641
Email: pmacdonald@stvincents.com.au
Sub-specialty: Mechanical assist devices (surgical, medical management)

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **Yes**

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Brazil

Institution: Heart Institute (InCor) of São Paulo University Medical School

Program Director: Prof. Dr Edimar Alcides Bocchi
Address: Rua Dr Melo Alves 690
4o andar, Av Dr Eneas de Carvalho Aguiar no 44
São Paulo, SP 01417-010, Brazil
Phone: 55-11-3069-5307
Email: dcledimar@incor.usp.br

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **No**

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Canada: Alberta

Institution: Libin Cardiovascular Institute
Program Director: Dr Patricia Campbell
Address: Foothills Medical Centre
1403 29th St NW
Calgary, AB T2N2T9, Canada
Phone: 403-944-3830
Email: theresa.ranallo@albertahealthservices.ca

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **Yes**

Institution: University of Alberta/ Alberta Transplant Institute
Program Director: Daniel H Kim
Address: 2C2.39 WMC
8440 - 112 Street
Edmonton, AB T6G 2B7, Canada
Phone: 780-407-7206
Email: dk@ualberta.ca

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **No**

Additional information: Our Cardiac Transplant Program is based at the Mazankowski Alberta Heart Institute (MAHI), a Quaternary Care Centre in the Capital of Alberta, Canada. It is currently the largest heart transplant centre in Canada performing around 40 heart transplants and 40 Mechanical Circulatory Support Device implantations per year. Furthermore, being part of the World class Alberta Transplant Institute (ATI), we have the opportunity to interact with all other disciplines in Solid Organ Transplantation, benefiting from their experience and expertise. Moreover, along with transplantation and heart failure management, our centre offers expertise in adult and pediatric mechanical circulatory support devices, transplant exercise physiology, transplant immunology, congenital heart disease, high risk percutaneous and surgical interventions. We offer a one year Subspecialty Clinical Fellowship in Advanced Heart failure, Heart Transplantation and Cardiac Assist Devices. Weblink: <http://www.medicine.med.ualberta.ca/Divisions/Cardiology/FellowshipProgram.aspx>.

Institution: University of Calgary
Program Director: Andrew D. M. Grant
Address: South Health Campus
4448 Front St SE
Calgary, AB, T3M 1M4, Canada
Phone: (403) 956-3769
Email: andrew.grant@albertahealthservices.ca

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Canada: British Columbia

Institution: St. Paul's Hospital
Program Director: Mustafa Toma
Address: Room 475, 1081 Burrard St, Vancouver, British Columbia, V6Z-1Y6
Phone: 604-806-9986
Email:

Does your program accept international applicants?

Does your program offer research fellowship opportunities? **Yes**

Additional Information: Our program provides comprehensive exposure to acute and chronic heart failure, mechanical circulatory support and heart transplantation. We are the sole program in the province of British Columbia in Canada, performing approximately 20 LVAD's and 20-25 transplant annually.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Canada: Ontario

Institution: **University of Ottawa Heart Institute**

Program Director: Dr. Ellamae Stadnick
Address: 40 Ruskin Street, Rm 3238B
Ottawa, ON K1Y4W7, Canada
Phone: 613-761-4708
Email: estadnick@ottawaheart.ca

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **No**

Additional information: The Ottawa Heart Institute offers a 1-2 year fellowship in Advanced Heart Failure. The clinical fellowship training will involve managing patients with advanced heart failure including cardiac transplant and mechanical device therapy. Our program has a large transplant population having performed over 500 transplants. The LVAD program consists of both Heartmate and Heartware devices; and fellows will participate in the medical management of these patients. Research is strongly encouraged and 2 year fellowships will be awarded to candidates with a commitment to pursuing a research project during their training.

Institution: **University of Toronto**

Program Director: Michael McDonald
Address: Toronto General Hospital
585 University Ave, Room 1188
Toronto, ON M5G 2C4, Canada
Phone: 416-340-4801 e+014
Email: michael.mcdonald@uhn.on.ca

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **Yes**

Additional information: We offer a comprehensive fellowship in all aspects of advanced heart failure, transplantation and mechanical circulatory support. The program is an accredited fellowship at the University of Toronto and previous fellows have received ABIM certification in Advanced Heart Failure/Transplantation. Fellowship opportunities can be tailored to the career goals of individual trainees; 2-year fellowship commitments are generally preferred.

Institution: **Toronto General Hospital**

Program Director: Dr. Vivek Rao
Address: 4MB-457, 200 Elizabeth Street, Toronto, Ontario, M5g2C4
Phone: 416-340-3562
Email:

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Canada: Quebec

Institution: **Montreal Heart Institute**
Program Director: Dr Normand Racine
Address: 5000 Belanger Street, Room S-3600
Montreal, QC, H1T 1C8, Canada
Phone: 514-376-3330 extension 2879
Email: normand.racine@icm-mhi.org

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

Additional Information: 1 and 2 years training available

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Germany

Institution: **Hannover Medical School**
Program Director: Christopher L. Bara
Address: HTTG (OE 6210)
Carl-Neuberg-Str. 1
Hannover, Lower Saxony 30625, Germany
Phone: +49 511 532-6310
Email: bara.christoph@mh-hannover.de

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **Yes**

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Japan

Institution: **The University of Tokyo Hospital, Tokyo, Japan**

Program Director: Prof. Minoru Ono

Address: Department of Cardiac Surgery

The University of Tokyo Hospital

7-3-1 Hongo, Bunkyo

Tokyo 113-8655, Japan

Phone: +81-3-5800-7900

Email: ono-tho@h.u-tokyo.ac.jp

Does your program accept international applicants? **Yes**

Does your program offer research fellowship opportunities: **No**

Additional information: We accept international applicants (Applicants from Asian countries are preferred, but any country is accepted.) Applicants must speak English or Japanese.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Netherlands

Institution: **Erasmus MC University Medical Center Rotterdam**
Program Director: Kadir Caliskan, MD PhD
Address: s-Gravendijkwal 230
Rotterdam, 3015CE
Phone: 31107035078
Email: k.caliskan@erasmusmc.nl

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

Additional Information: duration: 2 years

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Spain

Institution: Hospital Clinic
Program Director: Felix Perez-Villa
Address: Cardiology
Villarroel 170
Barcelona, Barcelona, 8036
Phone: 34932275515
Email: fperez@clinic.ub.es

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

Additional Information: 6-12 months

Institution: Puerta de Hierro Hospital
Program Director: Javier Segovia
Address: c/Joaquin Rodrigo ,2
c/Manuel de Falla, 1
Majadahonda, Madrid, 28222, Spain
Phone: 34-91-191-7843
Email: jsecu@telefonica.net

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

Additional Information: 2-year program, 20 heart & Heart-lung Tx per year, 15-20 short and long-term MCS per year

Institution: University Hospital 12 de Octubre
Program Director: Juan F. Delgado
Address: Avenida de Córdoba sn
Avenida de Córdoba sn
Madrid, Madrid, 28041
Phone: +34 639122454
Email: juan.delgado@salud.madrid.org

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Sweden

Institution: Karolinska University Hospital
Program Director: Lars Lund
Address: N305, Cardiology
Stockholm 17176, Sweden
Phone: +46-8-5177-0000
Email: lars.lund@alumni.duke.edu

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **Yes**

Additional information: Clinical duties requires Swedish language. But research combined with clinical rotation is welcome. There are many research fellowship opportunities particularly in registry based research.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Turkey

Institution: **Istanbul Bilim University, Sisli Florence Nightingale Hospital**
Program Director: Erman PEKTOK
Address: Heart Transplant & MCS Center
Abide-i Hurriyet Cad., No 164, Sisli
Istanbul, 343871, Turkey
Phone: +90-532-715-4540
Email: epektok@hotmail.com

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

United Kingdom

Institution: Royal Brompton & Harefield Hospital NHS Foundation Trust

Program Director: Dr. Owais Dar MRCP, MDres
Address: Harefield Hospital, Hill End Road
Harefield
Middlesex, England, UB9 6JH

Phone: +44 (0) 1895 828 975

Email: o.dar@rbht.nhs.uk

Does your program accept international applicants? **Yes**

Does your program offer research fellowship opportunities? **Yes**

Additional Information: 1- 2 year fellowship, opportunities to learn right heart catheterisation, endomyocardial biopsies, ECHO or MRI, participate in transplant/ LVAD clinics and manage patients with advanced heart failure.

Institution: University Hospital South Manchester

Program Director: Mr. Rajamiyer Venkateswaran(Transplant director); Dr Steven Shaw
(Transplant Physician Lead)

Address: Wythenshawe Hospital
Southmoor Road
Wythenshawe, Manchester, England, M23 9LT

Phone: +44 (0) 161 998 7070

Email: Rajamiyer.venkateswaran@uhsm.nhs.uk; steven.shaw@uhsm.nhs.uk

Does your program accept international applicants? **Yes**

Does your program offer research fellowship opportunities? **No**

Additional Information: There is 1 international fellowship available which provides training opportunities in the management and care of patients before and after cardiac transplantation, MCS and advanced heart failure. Appointees must have completed their general and speciality cardiology training. This quaternary care environment allows supported clinic time to review patients from a large geographical area. Utilising CPEX, CMR and echocardiography prior to transplant consideration, given the geographical considerations we often admit patients for a short and intensive period of assessment alongside surgical colleagues. There is a combined heart/lung transplant MDT twice weekly. The fellow will have opportunities to develop practical skills in imaging and right heart catheterisation/invasive haemodynamic assessment. There would be the opportunity to develop skills in cardiac biopsy should that be of interest. In the last 12 months we were the second highest centre in the UK by volume with 42 VADs (23 short term and 19 long term), 29 heart and 23 lung transplants. We were the and the number 1 centre in the UK by outcome. The post will be available for 12 months.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: Alabama

Institution: University of Alabama at Birmingham
Program Director: Salpy V. Pamboukian
Address: 1900 University Ave, THT 321
Birmingham, AL 35294
Phone: 2059343438
Email: sypam@uab.edu

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **No**

Additional information: This is a 1 year training program offering training in advanced HF, MCS, transplant and pulmonary hypertension accepting applicants at the PGY7 level or higher who have completed training in general cardiology. UAB is a high volume clinical program with a dedicated 20-bed inpatient heart transplant unit. There are opportunities to participate in both clinical and basic science research studies.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: California

Institution: Cedars-Sinai Heart Institute
Program Director: Michelle Kittleson
Address: Advanced Health Sciences Pavilion
127 S San Vicente Blvd Suite 6100
Los Angeles, CA, 90048
Phone: 310-423-3277
Email: michelle.kittleson@cshs.org

Does your program accept international applicants? **No**
Does your program offer research fellowship opportunities? **No**

Additional Information: See website for details: <https://www.cedars-sinai.edu/Education/Graduate-Medical-Education/Fellowship-Programs/Advanced-Heart-Failure-and-Transplant/index.aspx>

Institution: Scripps Clinic
Program Director: J. Thomas Heywood/ Associate PD- Ajay Srivastava
Address: 10666 N. Torrey Pines Road, SW206
La Jolla, CA 92037
Phone: 858-554-5588
Email: srivastava.ajay@scrippshealth.org

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

Additional Information: Currently not ACGME accredited fellowship but ACGME application submitted.

Institution: Stanford University
Program Director: Kiran Khush
Address: 300 Pasteur Drive, Falk CVRC 263
Stanford, CA 94306
Phone: 650-721-3241
Email: kiran@stanford.edu

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

Additional Information: Additional Information: Our Advanced Heart Failure/Cardiac Transplant Fellowship is a joint program with Kaiser Permanente. Fellows spend 4 months on the Stanford heart transplant service, 4 months on the Stanford LVAD/MCS service, and 4 months at Kaiser focusing on advanced HF management. In 2015 we performed 67 heart transplants and implanted 50 MCS devices. Applicants should have finished a 3-year, ACGME-accredited general cardiology fellowship before the start date and be Board Eligible or Board Certified in Cardiovascular Disease. We accept 3-4 fellows per year.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: California (cont.)

Institution: University of California Los Angeles

Program Director: Arnold S. Baas
Address: 100 UCLA Medical Plaza, Suite 630
Los Angeles, CA 90095
Phone: 310-825-9011
Email: abaas@mednet.ucla.edu

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **Yes**

Additional information: The training program in advanced heart failure/transplant cardiology is 1 year. Training in advanced heart failure/transplant cardiology at UCLA requires previous completion of Internal medicine residency and cardiology fellowship training. Applicants should be cardiology board eligible. Applicants prior to beginning the UCLA program must secure a California state medical license.

Institution: University of California San Francisco

Program Director: Teresa De Marco
Address: Div. of Cardiology, 505 Parnassus Ave, 1174-M
San Francisco, CA 94143-0124
Phone: 415-502-8584
Email: demarco@medicine.ucsf.edu

Does your program accept international applicants? **No**
Does your program offer research fellowship opportunities: **Yes**

Additional information: Includes training in mechanical circulatory support and pulmonary hypertension

Institution: University of Southern California

Program Director: Luanda Grazette, M.D.
Address: 1510 San Pablo Street, Suite 322
Los Angeles, CA 90033
Phone: (323) 442-7419
Email: sarah.luna@med.usc.edu

Does your program accept international applicants? **No**
Does your program offer research fellowship opportunities? **No**

Additional Information: The Advanced Heart Failure and Transplant Cardiology Fellowship at USC is a one year ACGME accredited fellowship. It includes exposure to the management of advanced heart failure, mechanical circulatory support and adult heart transplant patients. The program accepts one fellow per academic year.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: California (cont.)

Institution: University of California San Diego

Program Director: Eric Adler MD

Address: 9434 Medical Center Drive
La Jolla, CA 92037

Phone: 858-657-5328

Email: mrelaford@ucsd.edu

Does your program accept international applicants? **Yes**

Does your program offer research fellowship opportunities? **Yes**

Additional Information: <http://cardiology.ucsd.edu/fellowships/Pages/advanced-heart-failure.aspx>

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: Colorado

Institution: University of Colorado Denver
Program Director: Andreas Brieke
Address: 12631 East 17th Avenue, B130
Aurora, CO 80045
Phone: 303-724-2102
Email: andreas.brieke@ucdenver.edu

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **No**

Additional information: We offer a one year Fellowship in Advanced Heart Failure, Transplantation and Mechanical Circulatory Support. International applicants can be considered if they have completed a USA based general cardiology fellowship. The program starts on July 1st of each year and we are currently accepting one fellow per year.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: Connecticut

Institution: **Hartford Hospital**
Program Director: Jason A. Gluck
Address: 80 Seymour Street, Suit JB208
Hartford, CT 06102
Phone: 860-972-1212
Email: Jason.gluck@hhchealth.org

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **No**

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: Delaware

Institution: Christiana Care Health System
Program Director: Mitchell T. Saltzberg
Address: 4755 Ogletown Stanton Road, Suite 2E99
Newark, DE 19718
Phone: 302-733-1212
Email: msaltzberg@christianacare.org

Additional information: Christiana Care Health System Advanced Heart Failure and Transplant Cardiology Fellowship opening for July 2015. This is a one-year training program in advanced heart failure, cardiac transplantation and mechanical circulatory support. The Heart Failure Program at Christiana Care Health System has partnered with the Heart Failure and Transplant Program at the University of Pennsylvania to create a joint program to train fellows in all aspects of heart failure. Christiana Care Health System is one of the top 10 largest volume heart failure hospital systems in the United States, and the University of Pennsylvania is one of largest volume heart transplant and mechanical circulatory support centers in the country. Fellows will rotate between the two programs to ensure a comprehensive experience during the one-year fellowship. Applicants should have finished a 3-year, ACGME-accredited general cardiology fellowship before the start date and be Board Eligible or Board Certified in Cardiovascular Disease.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: District of Columbia

Institution: **MedStar Heart Institute**
Program Director: Samer Najjar
Address: 110 Irving Street, Suite 1E-05, NW
Washington, DC 20010
Phone: 202-877-8085
Email: samer.s.najjar@medstar.net

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **Yes**

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: Florida

Institution: University of Miami
Program Director: Sandra Chaparro, MD
Address: 1120 NW 14 St, Clinical Research Building 1111
Miami, FL 33136
Phone: 305-243-7067
Email: Schaparro@miami.edu

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

Additional Information: Applicants should have finished a 3-year, ACGME-accredited general cardiology fellowship before the start date and be Board Eligible or Board Certified in Cardiovascular Disease.

Institution: Mayo Clinic Florida
Program Director: Parag Patel, M.D.
Address: 4500 San Pablo Road
Transplant Department
Jacksonville, FL, 32246
Phone: 904-956-3272
Email: patel.parag@mayo.edu

Does your program offer research fellowship opportunities? **No**

Additional Information: ACGME accredited program, One year duration. One Advanced HF / Transplant Fellow per year.

Institution: University of Florida
Program Director: Juan Aranda, MD
Address: 1600 Sw Archer Rd
Gainesville, FL 32608
Phone: 352-273-9065
Email: Juan.ArandaMD@medicine.ufl.edu

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

Additional Information: Accredited with the ACGME, we have one Heart Failure/Heart Transplant Fellowship position available. Applicants must be completing or have completed a Cardiovascular Diseases Fellowship Training Program from an ACGME Accredited Institution. We accept all Visas. This one year advanced fellowship program is sharply focused on the evaluation and management of patients with heart failure, particularly those in need of advanced therapies such as transplantation or mechanical circulatory support. Fellows will work at the main hospital affiliate of the University of Florida, Shands Teaching Hospital. Our institution has had an established heart transplant program for over twenty years and is also a high volume center for advanced heart failure therapies including multiple modalities for temporary and durable mechanical circulatory support.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: Georgia

Institution: **Emory University Hospital**
Program Director: Andrew Smith MD
Address: 1364 Clifton Rd, 1364 Clifton Rd, Atlanta, Georgia, 30322
Phone: 1-404-727-6149
Email:

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **Yes**

Additional Information: After completing 2 years of training in a cardiovascular disease training program, the one year Heart Failure Fellowship will provide specialized training in the inpatient and clinic settings. Extensive training will include hospital management, pre- and post-transplant evaluation and therapy, adult congenital heart disease evaluation, cardiopulmonary exercise testing, cardiac biopsy, CRT/ICD device management, VAD selection and management, outpatient disease management, end of life care, and investigational/ research principles.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: Illinois

Institution: Loyola University Medical Center

Program Director: Erin Coglianese
Address: 2160 South First Ave, Bldg 111
Maywood, IL 60514
Phone: 708-327-2738
Email: Ecoglianese@lumc.edu

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **No**

Institution: Northwestern University

Program Director: Sanjiv Shah
Address: 676 N. St. Clair, Suite 600
Chicago, IL 60611
Phone: 312-926-2926
Email: sanjiv.shah@northwestern.edu

Does your program accept international applicants? **No**
Does your program offer research fellowship opportunities: **Yes**

Additional information: We are an advanced heart failure/transplant/MCS fellowship program dedicated to training the future leaders in academic heart failure and cardiac transplantation.

Institution: University of Chicago Medical Center

Program Director: Savitri Fedson
Address: 5841 S. Maryland Avenue, MC 2016
Chicago, IL 60637
Phone: 773-702-9396

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **Yes**

Institution: Advocate Christ Medical Center

Program Director: William Cotts
Address: 440 West 95th Street, Suite 407
Oak Lawn, IL 60453
Phone: 312-996-9086
Email: William.Cotts@advocatehealth.com

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **Yes**

Additional information: Program is combined with University of Illinois at Chicago (UIC) and fellow will have outpatient clinic experience in MRI and pulmonary hypertension at UIC. International applicants must have completed a US residency and fellowship. All applicants must have completed or will be expected to complete a Cardiovascular Disease Fellowship program.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: Indiana

Institution: **St Vincent Heart Center of Indiana**
Program Director: Drs. Mary Walsh and Ashwin Ravichandran
Address: 8333 Naab Road, Suite 400
Indianapolis, IN 46260

Does your program offer research fellowship opportunities: **No**

Additional information: 1 year program

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: Iowa

Institution: University of Iowa
Program Director: Linda Cadaret
Address: CV Medicine Division, T419 GH
200 Hawkins Drive
Iowa City, IA 52242
Phone: 319-353-8117
Email: linda-cadaret@uiowa.edu

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **Yes**

Additional information: The University of Iowa Hospitals and Clinics has a one year Advanced Heart Failure and Transplant Cardiology Fellowship position available starting July 1, 2014. As the only heart transplant and VAD center in the state of Iowa, UIHC provides robust clinical training and opportunities for research/scholarly activity. The UI Cardiomyopathy Treatment Program consistently manages between 1,000-1,200 patients with heart failure, heart transplants, mechanical circulatory support devices and pulmonary hypertension thus giving a broad clinical exposure to all facets of care. The right candidate would have completed a fellowship in adult cardiovascular medicine and would be ABIM Board Eligible in Cardiology.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: Kentucky

Institution: University of Kentucky

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: Louisiana

Institution: Ochsner Medical Center
Program Director: Hector Ventura
Address: 1514 Jefferson Highway
Section of Cardiomyopathy and Heart Transplantation
New Orleans, LA 70121
Phone: 504-842-5638
Email: hventura@ochsner.org

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **No**

Additional Information: Ochsner Medical Center in New Orleans, LA has an Accredited Fellowship Program in Advanced Heart Failure And Transplant Cardiology. We are looking for 1-2 fellows per year who have completed a general cardiology fellowship and are looking to pursue a career caring for patients with Advanced Heart Failure, Mechanical Circulatory Support, Heart Transplantation and Pulmonary Hypertension. With 6 full time Heart Failure Transplant Staff Cardiologists, Ochsner has a program which has continued to grow each year- in 2014 alone we implanted 54 VADs and 26 heart transplants, and we have performed >700 transplants and 340 VADs in our >20 year tenure. Our research program is robust, with indigenous research as well as multicenter trials; we will be participating in the Heartmate III trial as well as the Heartware Lateral trial. For an application or more information, please email Angela Smith at anglsmith@ochsner.org.
