Does your program accept international applicants? **Yes**

Does your program offer research fellowship opportunities: **No**

Does your program offer research opportunities as part of a clinical fellowship? **Yes**

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Denmark

Institution: Aarhus University Hospital
Program Director: Hans Eiskjaer
Address: Palle Juul-Jensens Boulevard 99
Aarhus 8200, Denmark
Phone: 0045 78452019
Email: haneis@rm.dk

Duration: **4 Years**
Accreditation: **Yes, Danish Health Board**

Does your program accept international applicants? **No**
Does your program offer research fellowship opportunities: **Yes, 1 Year**
Does your program offer research opportunities as part of the clinical fellowship? **Yes**

Additional information: 12-15 Heart Transplants/Year

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Japan

Institution: **The University of Tokyo Hospital**
Program Director: Prof. Minoru Ono
Address: 7-3-1 Hongo, Bunkyo
Tokyo 113-8655, Japan
Phone: +81-3-5800-7900
Email: ono-tho@h.u-tokyo.ac.jp

Duration: **1 Year**
Accreditation: **No**

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **No**
Does your program offer research opportunities as part of the clinical fellowship? **Yes**

Additional information: Our program particularly welcomes a fellow from Asian countries, although not limited to these countries.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Spain

Institution: Hospital Clinic Barcelona

Program Director: Felix Perez-Villa

Address: Cardiology
Villarroel 170

Barcelona, Catalonia 8034

Phone: 34932275515

Email: fperez@clinic.ub.es

Duration: **1 Year**

Accreditation: **No, there are no accreditation programs in Spain**

Does your program accept international applicants? **Yes**

Does your program offer research fellowship opportunities? **No**

Does your program offer research opportunities as part of the clinical fellowship? **Yes**

Additional information: For cardiologists only. Extensive clinical experience in heart transplantation granted. No financial support.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Thailand

Institution: Chulalongkorn University/ King Chulalongkorn Memorial Hospital
Program Director: Aekarach Ariyachaipanich
Address: 1873 Rama 4 Road
Pathumwan
Bangkok 10330, Thailand

Email: aekarach.a@chula.ac.th

Duration: **1 Year**
Accreditation: **No**

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities: **Yes**
Does your program offer research opportunities as part of the clinical fellowship? **Yes**

Additional information: "At Chulalongkorn Heart Failure and Transplant Cardiology (C-HF), a transformation of care for patients with HF is happening by simultaneously engaging in clinical services, education and research from a positive and compassionate multidisciplinary team.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

Turkey

Institution: Siyami Ersek Thoracic and Cardiovascular Surgery Center
Program Director: Serap Aykut Aka
Address: Tibbiye Caddesi
Uskudar
Istanbul, 34000, Turkey
Phone: 904445257
Email: serapaykutaka@gmail.com

Duration: 1 Year
Accreditation: Yes, Ministry of Health

Does your program accept international applicants? **Yes**
Does your program offer research fellowship opportunities? **No**
Does your program offer research opportunities as part of the clinical fellowship? **No**

Additional information: Applications to be approved both by institute and ministry of health

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

United Kingdom

Institution: Royal Brompton & Harefield Hospital NHS Foundation Trust
Program Director: Dr. Owais Dar MRCP, MDres
Address: Harefield Hospital, Hill End Road
Harefield
Middlesex, England, UB9 6JH
Phone: +44 (0) 1895 828 975
Email: o.dar@rbht.nhs.uk

Duration: 1 Year

Accreditation: No

Does your program accept international applicants? **No**
Does your program offer research fellowship opportunities? **No**
Does your program offer research opportunities as part of the clinical fellowship? **Yes**

Additional information: Harefield Hospital has an extremely well established transplantation and mechanical circulatory support programme. As a senior clinical fellow you will be part of a medical team of 3 full time advanced heart failure/mcs/transplant consultants, 7 middle grades and 3 core trainees, and part of a wider, vastly experienced, multi-disciplinary team. The duties of the post include management of inpatients with advanced heart failure including HDU/ITU patients requiring inotropic and short term mechanical circulatory support, patients in the peri-transplant/ VAD implantation period, and those presenting with late complications. Outpatient duties include attendance at advanced heart failure, post-transplant, and VAD clinics. You are part of a 1 in 7 on call rota (resident evening and weekend, non-resident at night) during which time you are also responsible for managing lung transplant patients. There are opportunities to develop skills in right heart catheterisation, invasive angiography and endomyocardial biopsy, and to attend imaging sessions in echo and MRI. There are 2 MDT meetings per week, which are a chance to develop case presentation skills.

TRAINING PROGRAM OPPORTUNITIES: Adult Medical Advanced Heart Failure, Cardiac Transplant and Mechanical Circulatory Support

USA: Arizona

Institution: Univeristy of Arizona Tucson
Program Director: Jennifer Cook
Address: 1501 N Campbell Ave
PO Box 245046
Tucson, AZ 85724
Phone: 520-626-3965

Does your program accept international applicants? **Yes, applicants must have completed an ACGME accredited Cardiovascular Disease Fellowship**

Does your program offer research fellowship opportunities? **No**

Does your program offer research opportunities as part of the clinical fellowship? **Yes**

Additional information: The ACGME fellowship program is a 1-year program. Curriculum will include patient management in the outpatient, inpatient and catheterization laboratory settings. Experience in transplant immunosuppression, imaging and device management is included. Trainees in the 12-month program will learn to manage heart failure patients by determining whether they would be best served through medications, a heart transplant or implantation of a mechanical ventricular assist device, using established and leading-edge treatment options. You will be offered a collegial working relationship with a dedicated team of Heart Failure-Transplant-VAD cardiologists, surgeons and nurse practitioners. We perform over 50 transplants and 20 LVADS per year in our rapidly expanding center of excellence and have a high-volume service with multidisciplinary support. You will be a part of a strong academic research program with opportunities for research innovation.

Institution: Washington University School of Medicine
Program Director: Gregory Ewald, MD
