### IMACS Email Change

Dear IMACS Participants,

The IMACS Email host has migrated its email to a new address, which is [imacs@uabmc.edu](mailto:imacs@uabmc.edu). This effort has interrupted some IMACS e-mail correspondence.

If you are not able to contact IMACS through e-mail, please reach out to us directly by telephone at (205) 975-3906.

Thank you and we apologize for any inconvenience this may have caused.

### 2016 IMACS Registry Meeting Final Agenda

The IMACS Registry Meeting agenda has been finalized! We will be covering the IMACS registry in detail, along with the research proposal application process and the statistical support provided for approved research proposals, at the annual ISHLT meeting on **Friday, April 29th from 12:00pm – 2:00 pm (EST)** at the Washington Marriott Wardman Park, Harding Meeting Room. Please click the link below to view the agenda topics and speakers.

#### **[2016 IMACS Meeting Final Agenda \(PDF\)](#)**

To reserve your spot for the IMACS meeting, please **[CLICK HERE](#)**. We encourage all centers that have interest in joining IMACS to send a representative!

## IMACS® NEWS 1/12/16

We look forward to seeing you there!

## IMACS® NEWS 5/22/14

### IMACS® Website Additions

In response to feedback at the 2014 ISHLT IMACS® Meeting and Booth, additional pages with more information regarding the IMACS® Registry have been added to the website. The new additions include:

- In depth enrollment/regulatory guidelines
- Outline of the IMACS Protocol and Users' Guide
- Frequently Asked Questions and Answers
- Links to other registries in which IMACS has a relationship
- Updated contact information
- Past IMACS Registry Presentations (Coming soon)

### New IMACS® Infectious Disease Elements

Infectious Disease data elements have been added to the IMACS® web based data system as a result of a collaboration with the Infectious Disease Council of the ISHLT. This relationship presents opportunities:

- For added value to IMACS®
- To better understand the incidence and risk factors for post MCSF infections
- To engage the infectious disease clinicians in MCSF treatment and follow-up

### IMACS® And Euromacs Have Formed A Joint Relationship!

IMACS® and Euromacs have signed an agreement to work together. Details will be released in the upcoming months regarding the relationship in the ISHLT Links and Euromacs Newsletters!
