

ISHLT Monograph Volume 11: Pediatric Ventricular Assist Devices

Published: April 2017

Editors: Angela Lorts, MD; Martin, Schweiger, MD, FEBS; Jennifer Conway, MD, FRCP; James K. Kirklin, MD

Price: Members: \$25.00 Non-Members: \$60.00

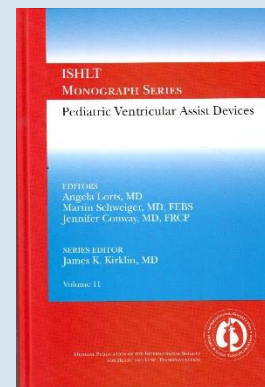

Table of Contents

- Chapter 1: Developmental History of Pediatric Mechanical Circulatory Support
- Chapter 2: Patient Selection for Ventricular Assist Devices
- Chapter 3: Ventricular Assist Devices – Temporary Devices
- Chapter 4: Ventricular Assist Devices – Durable Devices (Pulsatile Flow)
- Chapter 5: Ventricular Assist Devices – Durable Devices (Continuous Flow)
- Chapter 6: Surgical VAD Implantation in Pediatrics
- Chapter 7: Support Strategies for Single Ventricle Patients
- Chapter 8: Support Strategies for Adults with Congenital Heart Disease
- Chapter 9: Post-operative ICU Care for the Pediatric Ventricular Assist Device Patient
- Chapter 10: Adverse Events Associated with Ventricular Assist Devices in Children
- Chapter 11: Anti-Coagulation Management
- Chapter 12: Discharging a Pediatric VAD Patient Back into the Community
- Chapter 13: Preparing for Cardiac Transplant
- Chapter 14: Chronic VAD (Destination and Recovery) Therapy in Pediatrics
- Chapter 15: End of Life Care in Pediatric VAD Patients

Monograph Volume 11 is also available as
an **eBook** for purchase through
iBook, [Amazon](#), Barnes and Noble and many
other eBook retailers.

ISHLT Monograph Series Volume 11: Pediatric Ventricular Assist Devices

Editors:

Angela Lorts, MD
Martin Schweiger, MD, FEBS
Jennifer Conway, MD, FRCP
James K. Kirklin, MD

Contributors:

Iki Adachi, MD, Associate Surgeon, Congenital Heart Surgery Co-Director, Mechanical Circulatory Support Texas Children's Hospital Assistant Professor, Michael E. DeBakey Department of Surgery and Pediatrics Baylor College of Medicine
Rachele Adorasio MD, Department of Pediatric Cardiology and Cardiac Surgery, Bambino Gesù Hospital, Rome Italy
Antonio Amodeo MD, Surgical Director Heart Failure Unit, Pediatric Hospital Bambino Gesù, Rome, Italy.
Scott R. Auerbach, MD, Associate Professor of Pediatrics, Medical Director, VAD Program, University of Colorado School of Medicine, Children's Hospital Colorado Heart Institute
Holger Buchholz MD, Clinical Associate Professor Division of Cardiac Surgery, Director Pediatric Artificial Heart Program, Director Adult Artificial Heart Program
Charles E. Canter MD, Lois B Tuttle and Jeanne B Hauck Professor of Pediatrics, Washington University School of Medicine, St. Louis, MO
Jonathan M. Chen, MD, Professor and Chief | Congenital Cardiac Surgery, University of Washington School of Medicine, Co-Director | Heart Center, Seattle Children's Hospital
Sharon Chen, MD MPH, Clinical Assistant Professor, Pediatric Heart Failure and Transplantation, Pediatric Cardiology], Lucile Packard Children's Hospital, Stanford University
Dr. David S Crossland MRCPCH, Consultant Congenital Cardiologist, Department of Congenital Cardiology, Freeman Hospital, Newcastle upon Tyne, UK
Mr Fabrizio De Rita, MD, Consultant in Cardiothoracic Surgery, Freeman Hospital, Newcastle Upon Tyne, UK
Dr Lucas J Eastaugh, Paediatric Cardiologist, Department of Cardiology, The Royal Children's Hospital Melbourne, Clinical Research Fellow, Murdoch Children's Research Institute
Pirooz Eghtesady, MD, PhD, Professor and Emerson Chair, Chief, Pediatric Cardiothoracic Surgery, Washington University St. Louis, Co-Director, Heart Center and, Cardiothoracic Surgeon-in-Chief, St. Louis Children's Hospital
Dr Matthew Fenton MB BS, MRCPCH, Great Ormond Street Hospital NHS Foundation Trust, London, UK
Darren H. Freed MD PhD FRCS, Associate Professor of Surgery, Physiology and Biomedical Engineering, University of Alberta
Kristine J. Guleserian MD, Division of Pediatric Cardiovascular Surgery, Director of Heart Failure and Transplantation, Nicklaus Children's Hospital, Miami, FL
Mr Asif Hasan, FRCS (CTh), Consultant in Cardiothoracic Surgery, Freeman Hospital, Newcastle Upon Tyne, UK
Prof.Dr.med. Michael Huebler, Chief, Division of Pediatric Cardiac Surgery, University Children's Hospital Zurich
Tilman Humpl MD, PhD, Department of Critical Care Medicine, Hospital for Sick Children, Associate Professor of Pediatrics, University of Toronto, Toronto Canada
R.D.B. Jaquiss, MD, Professor of Surgery and Pediatrics, Chief of Pediatric Heart Surgery, Duke University School of Medicine
Aamir Jeewa, MBBCh, FAAP, FRCP, Head, Heart Function Program, The Hospital for Sick Children, Toronto, Canada
Ann Karimova, MD, Consultant in Pediatric Cardiac Critical Care, Great Ormond Street Hospital for Children, London, United Kingdom
Steven Kindel, MD, Medical Director Advanced Heart Failure & Heart Transplantation, Herma Heart Center, Children's Hospital of Wisconsin, Medical College of Wisconsin
Prof Richard Kirk MA FRCP FRCPCH, Professor of Pediatrics. UT Southwestern, Dallas, Director of the Pediatric Transplantation, Heart Failure and Mechanical Support Program
James K. Kirklin, Professor of Surgery, Division of Cardiothoracic Surgery, Director, Kirklin Institute for Research in Surgical Outcomes (KIRSO), Department of Surgery, University of Alabama at Birmingham
Roxanne Kirsch, MD, MBE, Assistant Professor Pediatrics, Cardiac Critical Care Medicine, Department of Critical Care & Anesthesia; Department of Bioethics, University of Toronto, The Hospital for Sick Children
Igor E. Konstantinov, MD, PhD, FRACS, Professor, University of Melbourne, Consultant Cardiac Surgeon, Royal Children's Hospital, Flemington Road, Melbourne, Australia
Jodie Lantz, MSN, RN, PCNS-BC, VAD CNS, Institution: Children's Health Dallas
Mary E. Mehegan, BSN, RN, CCRN, VAD Coordinator, St. Louis Children's Hospital
Oliver Miera, MD, Dpt. for Congenital Heart Disease / Pediatric Cardiology, Deutsches Herzzentrum Berlin
Shelley D. Miyamoto, MD, Millisor Chair in Pediatric Heart Disease, Director, Cardiomyopathy Program, Children's Hospital Colorado and University of Colorado Denver

David Luís Simón Morales, MD, Professor of Pediatrics and Surgery, Clark-Helmsworth Chair and Director of Congenital Heart Surgery, The Heart Institute, Cincinnati Children's Hospital Medical Center, The University of Cincinnati College of Medicine

Mustafa Ozbaran, MD, Professor, Cardiac Surgeon, Ege University School of Medicine, Director of the Department of Cardiovascular Surgery, Director of Heart Transplantation and Mechanical Circulatory Support Programs

David M. Peng, MD, Assistant Professor of Pediatrics and Communicable Diseases, Director of Pediatric Heart Failure and Mechanical Circulatory Support, University of Michigan

Leigh Christopher Reardon, MD, Assistant Clinical Professor of Medicine and Pediatrics, University of California, Los Angeles, Ahmanson/UCLA Adult Congenital Heart Disease Center, Mattel Children's Hospital UCLA

Dr. Ivan M. Rebeyka, Clinical Professor of Surgery & Pediatrics, University of Alberta & Stollery Childrens Hospitals, Edmonton, Alberta, Canada

David N Rosenthal, MD, Professor of Pediatrics, Stanford University, Medical Director PACT, Stanford Children's Health

Joseph W. Rossano, MD, MS, Executive Director, The Cardiac Center, Medical Director, Heart Failure and Transplantation, Associate Professor of Pediatrics at The Children's Hospital of Philadelphia, Perelman School of Medicine at the University of Pennsylvania

Leonardo Salazar MD. MSc., Cardiothoracic Anesthesiologist and Intensivist. Director ECMO and VAD Program, Colombian Cardiovascular Foundation, Bucaramanga, Colombia

Janet N. Scheel, MD, Children's National Health System

Martin Schweiger, University Children's Hospital, Zurich, Switzerland

Christina VanderPluym, MD, Associate in Cardiology, Director, Ventricular Assist Device Program, Department of Cardiology, Boston Children's Hospital, Instructor, Harvard School of Medicine

Daniel Zimpfer MD, Associate Professor of Surgery, Director Mechanical Circulatory Support, Division Director Pediatric Cardiac Surgery, Dept. of Cardiac Surgery, Medical University Vienna
