MEDIA INVITED TO ATTEND INTERNATIONAL SOCIETY FOR HEART & LUNG TRANSPLANTATION MEETING IN SAN DIEGO, CALIF, APRIL 10-13

ADDISON, TX – March 24, 2014 - The 34th Annual Meeting and Scientific Sessions of the International Society for Heart and Lung Transplantation (ISHLT) will be held at the Manchester Grand Hyatt Hotel in San Diego, Calif. on April 10-13, 2014.

Attending media will have access to physicians, researchers and others working in cardiothoracic transplant medicine around the world as well as original research from transplant-related clinical trials and stimulating scientific debate. ISHLT expects about 2,500 international attendees.

Meeting highlights include:
- The Proceed II International Heart Transplant Trial with Organ Care System (OCS™) Technology
- Inspire Lung Trial Evaluation of the Impact of Portable Ex-Vivo Profusion Using OCS™ Technology
- Invasive Fungal Infections Among Cardiothoracic Transplant Recipients Consensus Report
- Updated Guidelines for Lung Transplant Recipient Selection Consensus Report
- Year One Outcomes of the Novel Lung Trial

The scientific program and abstracts are available at www.ishlt.org.

MEDIA ASSISTANCE
Media with press credentials are welcome for no charge at all scientific sessions and symposia. A pressroom will be available April 10-13 in Show Office 7 on the 2nd floor of the Manchester Grand Hyatt. Every accommodation will be made to fulfill individual requests for interviews and information.

The International Society for Heart and Lung Transplantation (ISHLT) is a not-for-profit professional organization with more than 2,700 members from over 45 countries dedicated to improving the care of patients with advanced heart or lung disease through transplantation, mechanical support and innovative therapies via research, education and advocacy. For more information, visit www.ishlt.org.
