Badge Pick Up and Registration

GET YOUR BADGE TO GET STARTED

Your first order of business today is to pick up your badge if you haven't already. You'll need this badge to access educational sessions, the exhibit hall, and any ISHLT2023 events. The Registration Desk is in **Concourse E of the Colorado Convention Center**.

REGISTRATION HOURS TODAY:

6:30 a.m. – 6:30 p.m.

To reduce the amount of time spent at the Registration Desk, please proof your badge in advance to ensure the correct spelling of your name, institution, etc. You can review the information that will be

printed on your badge by [clicking this link](#) and following the instructions below.

- Search by your name or email address used when registering.
- Select your name to receive an email with a link to review your badge and opt in or out of lead retrieval.
- NOTE: Any changes made here will not be reflected with your membership or registration information with ISHLT

The badge proofing email will come from NoReply@OneSkyIT.com and may show in your junk or spam folder.

Welcome to ISHLT2023

On behalf of the ISHLT Board of Directors and the Scientific Program Planning Committee, we welcome you to the 43rd Annual Meeting &

Scientific Sessions of the ISHLT. ISHLT2023 brings to Denver more than 3,500 medical professionals in transplantation and advanced heart and lung disease, and we're glad to welcome you back to an interdisciplinary, global experience.

Each day, these emails will give you quick logistical tips to help you have an easy experience at ISHLT2023.

- We'll share daily features in [networking](#) and [affiliate events](#) to keep you connected with the communities that matter to you.
- [Download the mobile app, supported by Abbott](#), to build your own schedule and create an Annual Meeting experience that's truly yours.
- Explore [more than 120 scientific sessions](#) available across all ten ISHLT Professional Communities and four Interdisciplinary Networks, and earn up to 24 CE/CME credits.
- Visit the [Exhibit Hall](#) and reconnect with our partners in industry to explore the latest innovations and services.

This annual gathering is a wonderful celebration of our Society and the dedication of its members. We hope you enjoy the innovative multidisciplinary program we've prepared and look forward to seeing you over the coming days!
