

2026 Annual Meeting & Scientific Sessions Travel Award Frequently Asked Questions

When will the Travel Award application open?

Eligible applicants will be notified with instructions on how to apply in January 2026.

I can't find the link to the application on the website. How do I apply?

Only presenters of accepted abstracts are invited to apply for Travel Awards, so the application link is not published on the ISHLT website. The only way to apply for a Travel Award is by clicking the "Apply Now" link in the email.

Why can't I submit an application?

Only ISHLT Members are eligible for Travel Awards. If you are unable to submit the application, it is most likely because you are not a current Member. You can find the link to renew your membership or join ISHLT on the [Membership page](#) of the website. If you need assistance, you can reach out to membership@ishlt.org.

If you have confirmed that your membership is active and you are still unable to submit an application, please contact grants@ishlt.org.

I don't want to register until after I know if I've received a Travel Award, but I don't want to miss out on the Early Bird Registration pricing. What should I do?

Applicants who do not receive a Travel Award will receive a discount code that can be applied to their registration fees, allowing them to pay the Early Bird Registration price after the deadline has passed.
