(continued on next page)

4 Commitment to the Field Criteria (Minimum 10 points required)

Candidates must accumulate at least **10 points** from the following activities within the **past 7 years**:

Activity	Points
4.1 Currently hold board certification or top-level certification in specialty (Examples: ABTS, ABIM, ABS, FRCP, FRCS, ABPath, CCRC, CPI, APRN, RN, or equivalent)	6 points
4.2 A history of grant funding from a national entity, society, industry, or foundation	5 points
4.3 Demonstrated body of scholarly work in peer-reviewed journals	5 points
4.4 Documented service to a related organization, patient advocacy group, or transplantation-related community initiative	4 points
4.5 Documentation of a significant role in professional education (e.g., fellowship teaching, professional lecturing)	4 points
4.6 Current involvement in training, teaching, or mentoring activities (e.g., professor role, hospital-based teaching)	4 points

Additional Application Requirements

- 5.1** Two current letters of recommendation, dated within the application period*:
 - 5.1.1** One from an ISHLT leader who has been elected or appointed to a volunteer position or a current Fellow supporting the applicant’s commitment to ISHLT **or** a letter from a mentor or department supervisor.
 - 5.1.2** One from any ISHLT member in good standing.
- 5.2** A curriculum vitae, resume, and/or publications bibliography.
- 5.3** A one-time non-refundable application fee, with a sliding scale based on professional role and geographic region. The fee supports the ISHLT Foundation.

* Letters of recommendation cannot be written by current members of the [ISHLT Membership Committee](#), the [ISHLT Membership & Outreach Oversight Committee](#), or the [ISHLT Board of Directors](#) as they have a role in the review process.
