

Monograph Instructions

1. All manuscripts should be (Word document) typed double-spaced with 1" margins, using a 12 point font - Arial.
 - a. This does include all text, references, tables and figure legends.
 - b. It will be important to type the legend on the same page with the figure to avoid confusion (in addition to the regular legend page).
 - c. All pages should be numbered.
2. It is the responsibility of the author to check all references; numbered sequentially and superscripted in the text.
 - a. If more than 3 authors, cite only the first three and add et al.
3. Authors should provide publication quality figures (photos, drawings, etc.). JPEG and TIF seem to work best. They can be color figures or pictures.
4. Authors must obtain permission for any borrowed/modified information on tables or figures.
5. Bibliography should be in AMA format
6. Submissions should be accompanied by a cover page with authors' full name (including middle initial), degree, affiliation, mailing address, telephone number, FAX number and email address.
